

Texana Groundwater Conservation District
Notice of Proposed Permit Issuance

Notice is hereby given in accordance with Rule 4.6: Decision and Issuance of Permits of the Rules of the District that the Texana Groundwater Conservation District proposes to issue a production permit authorizing the operation of a water well for non-exempt uses on November 15, 2024.

Mr. Cord Beard for Double B Energy LLC. seeks, under permitting request case PRC-20240529-02, a production permit authorizing production of groundwater from well NW-00789 for livestock and office supply at rates not to exceed 50 gallons per minute or 0.25 acre-feet per year. The subject well is located on a 139.85-acre tract of land near the intersection of FM 234 and U.S. Hwy 59 Frontage Rd. in Jackson County, Texas.

Any person who intends to contest a permit application must provide written notice of that intent to the District at P.O. Box 1098, Edna, Texas 77957 at least three calendar days prior to the proposed date of permit issuance as published in this public notice.
